## Penalties

We are required by law to charge any applicable penalties.  
The amount of penalty and interest shown is based on this adjustment.

---

## Examining Officer's Report

According to our records, your Examining Officer gave you a report that explained the reason for this penalty. (Internal Revenue Code Section 6751(d))

---

## Removal or reduction of penalties

We understand that circumstances—such as a serious illness or injury, a family member's death, or loss of financial records due to natural disaster—may make it difficult for you to meet your taxpayer responsibility in a timely manner. We can generally process your request for penalty removal or reduction quicker if you contact us at the number listed above with the following information:

- Identify which penalty charges you would like us to reconsider (e.g., 2016 late filing penalty).
- For each penalty charge, explain why you believe it should be reconsidered.

If you write us, include a signed statement and supporting documentation for penalty abatement request.

We'll review your request and let you know whether we accept your explanation as reasonable cause to reduce or remove the penalty charge(s).

---

## Removal of penalties due to erroneous written advice from the IRS

If you were penalized based on written advice from the IRS, we will remove the penalty if you meet the following criteria:

- You wrote us asking for written advice on a specific issue
- You gave us adequate and accurate information
- You received written advice from us
- You reasonably relied on our written advice and were penalized based on that advice

To request removal of penalties based on erroneous written advice from us, submit a completed Claim for Refund and Request for Abatement (Form 843) to the address shown above. For a copy of the form, go to [www.irs.gov](http://www.irs.gov) or call 800-TAX-FORM (800-829-3676).
