OSPREY, FL 34229

We have approved your request to pay your taxes in installments. Your first payment of \$ 15,000.00 is due on 05/28/2023. You agreed to make future payments of \$ 15,000.00 on the 28th of each following month until you pay the full amount.

You also agreed to increase (or decrease) your monthly payment as follows:

Date of increase (or decrease)	Amount of increase (or decrease)	New installment amount
5/15/2024	\$20,000.00	\$35,000.00

The amount you owe as of 04/06/2023 is \$605,013.71 . This amount does not include all accrued penalties and interest. We will charge applicable penalties and interest until you pay the full amount you owe, because you didn't pay your total tax when it was due.

You have been requested to submit a new Form W-4 to your employer to increase your withholding to prevent future liabilities.

Send your monthly payments so they reach us by the due date. Print your Social Security number or employer identification number clearly on your check or money order. If you change your address, send your new address with your next payment.

If we're charging backup withholding on any of your accounts, it will continue. Having an installment agreement doesn't stop backup withholding.

Although we've established an installment plan for you, we may still file a Notice of Federal Tax Lien to protect the government's interest.

HAS ALREADY BEEN FILED

A Notice of Federal Tax Lien is a public notice that the government has a claim against your property to satisfy a debt. We will release (remove) the lien when you finish paying what you owe. We have the legal right to collect this money for up to 10 years.
