Dear Taxpayer:

Thank you for making arrangements to resolve your account. This letter responds to your 433-D dated July 02, 2018, requesting a direct debit installment agreement.

We accepted your proposal to have your monthly installment payments automatically deducted from your checking account. We'll deduct your payment of \$2,900.00 on the 28th of each month.

Before we can deduct your monthly payments automatically, we must verify your account information.

We scheduled your first automatic withdrawal payment to be deducted from your checking account on May 28, 2021. If this payment withdrawal doesn't happen as planned, allow one more month before contacting us to report any problems.

WHAT YOU NEED TO KNOW ABOUT YOUR INSTALLMENT AGREEMENT

We charge a \$107.00 user fee to cover the cost of entering into a direct debit installment agreement not established through an IRS automated self-service application. However, we reviewed your account and found you qualified for a waiver of the user fee because you agreed to make electronic payments through a debit instrument by entering into a direct debit installment agreement and you are a low-income taxpayer for installment agreement user fee purposes.

WHAT YOU NEED TO DO

You must meet all conditions of your installment agreement. If you don't, your installment agreement could go into default and we may terminate it and take enforcement action to collect the full amount of the tax liability. Enforcement action could include filing a Notice of Federal Tax Lien (which notifies your creditors of our lien against your property) or placing a levy on your wages or bank accounts. If we terminate your installment agreement or pursue any enforcement
