Penalties

We are required by law to charge any applicable penalties.

Failure-to-pay penalty removed

We removed the penalty we previously charged you.

Interest charges

We are required by law to charge interest when you do not pay your liability on time. Generally, we calculate interest from the due date of your return (regardless of extensions) until you pay the amount you owe in full, including accrued interest and any penalty charges. Interest on some penalties accrues from the date we notify you of the penalty until it is paid in full. Interest on other penalties, such as failure to file a tax return, starts from the due date or extended due date of the return. Interest rates are variable and may change quarterly. (Internal Revenue Code section 6601)

Note: The interest amount shown here may differ from the amount shown on Page 1. The computation shown here may include interest charges on amounts due before the adjustment.
