Dear Sequoia Tax Relief:

This is to follow up my last letter dated April 2, 2019. I'm writing to let you know the IRS has completed processing of the approved installment arrangement for the tax balances mentioned above. As of the date of this letter, the outstanding balance due is \$65,593.27, which includes penalty and interest calculated to April 12, 2019. A payoff calculation is enclosed for your review. The IRS will continue to charge penalties and interest until [REDACTED] pays the amount they owe in full.

What to expect

The IRS accepted your client's proposal and has established a direct debit installment agreement for a monthly payment of \$2,000.00 due on the 28th of each month, beginning May 28, 2019, the monthly debits will continue until the balance is paid in full. Based on the approved installment agreement, I'm closing your case with the Taxpayer Advocate Service as successfully resolved.
