RE: TP# [Redacted]

Dear [Redacted]

The following arrangements were made in order to pay your outstanding tax liability for the amount of \$4,002.65 covering January 1, 2019 through December 31, 2019. This amount includes penalty and interest accrued as of the date of this letter. Because the amount of liability will be affected by payment dates and overpayments, your final payment may differ from the amount shown. We recommend that you call 432-550-3027 to obtain the correct payoff amount at least 10 days before the due date.

Payments of \$667.11 are due on November 1, 2020, December 1, 2020, January 1, 2021, February 1, 2021, and March 1, 2021. The final payment, due on April 1, 2021, will be for the remaining balance. A late payment or failure to remain current on future tax reports will void this agreement and the entire unpaid balance will be due immediately. Interest will continue to accrue on the unpaid balance of tax as provided by law. However, if you are required to remit your tax payments electronically, you will need to remit the monthly installment payments electronically to avoid additional penalty being assessed.

Failure to adhere to the terms of this agreement may result in additional collection action being taken, including filing of misdemeanor charges. Be advised that liens will be filed and will remain in effect until liability is paid in full. The security bond requirement in the amount of \$4,000.00 will be held in abeyance and is due upon the completion of this agreement. If you default on this agreement, that bond will be due and payable immediately. Please acknowledge the terms of this agreement by signing this letter and returning it in the envelope provided.

I hope that further collection efforts will not be necessary. If you have questions or need any additional information, please call 432-550-3027 ext. 44430.

Sincerely,

[Redacted]
Enforcement Officer
