Re: *Arizona Department of Revenue vs. Perry*  
Attorney General File Number: [REDACTED]

Dear [REDACTED]

Pursuant to my communications with you, it is my understanding that your client wishes to enter into a payment agreement with respect to the amount that is due and owing to the Arizona Department of Revenue. Accordingly, I have enclosed a Forbearance Agreement (hereinafter "Agreement"), which provides for payments of \$2,000.00 per month beginning April 26, 2021, and continuing on or before the same day of each of following month until the total amount owed is paid. Please have your client sign and date the Agreement, and return all pages of the original, signed Agreement to me by April 8, 2021. If she wishes to set up automatic payments, please contact one of my paralegals, [REDACTED]

Please know that we recorded the Judgment with the county recorders' offices, and will enforce any and all lien rights that arise therefrom. However, we will not take action such as a garnishment on the Judgment, so long as your client timely signs and returns the Agreement, and make the agreed-upon payments. Should you wish to discuss this matter, please don't hesitate to contact me.

Sincerely,

Assistant Attorney General
