We have approved your request to pay your taxes in installments. Your first payment of \$300.00 is due on 07/28/2019. You agreed to make future payments of \$300.00 on the 28th of each following month until you pay the full amount.

The amount you owe as of 06/20/2019 is \$47,989.01. This amount does not include all accrued penalties and interest. We will charge applicable penalties and interest until you pay the full amount you owe, because you didn't pay your total tax when it was due.

Send your monthly payments so they reach us by the due date. Print your Social Security number or employer identification number clearly on your check or money order. If you change your address, send your new address with your next payment.

Note: If we're charging backup withholding on any of your accounts, it will continue. Having an installment agreement doesn't stop backup withholding.

Although we've established an installment plan for you, we must protect the government's interest. Therefore, we may still file a Notice of Federal Tax Lien.

HAS ALREADY BEEN FILED

A Notice of Federal Tax Lien is a public notice that the government has a claim against your property to satisfy a debt. We will release (remove) the lien when you finish paying what you owe. We have the legal right to collect this money for up to 10 years.

Conditions of this agreement

- We must receive each payment by the date shown above. If you cannot make your monthly payment, contact us immediately.
- This agreement is based on your current financial condition. We may change or cancel it if we show your ability to pay has significantly changed.
- We may cancel this agreement if you don't give us updated financial information when we ask for it.
- While this agreement is in effect, you must pay any federal taxes you owe on time.
- We'll apply your federal tax refunds (if any) to the amount you owe until it is fully paid.
- If you don't meet the conditions of this agreement, we'll cancel it, and may collect the entire amount you owe by levy on your income, bank accounts or other assets, or by seizing your property.
- We may cancel the agreement at any time if we find that collection of the tax is in jeopardy.
- There is a \$225.00 one-time installment fee (\$107.00 if direct debit installment agreement).
- If the agreement defaults, you must pay a \$89.00 fee to reinstate it.

- We'll let you know if you qualify for the reduced installment fee (\$43.00) or if you meet certain conditions that would allow us to waive or reimburse that fee. If we don't qualify you for the reduced fee, you can request the reduced fee using Form 13844, Application For Reduced User Fee For Installment Agreements.
- We'll apply all payments on this agreement in the best interest of the United States.

Note: If we propose to change or cancel your agreement for any reason, we'll send you, in most situations, a notice advising you of our proposal and give you the opportunity to appeal the change or cancellation

We'll send you monthly reminder notices that will include the mailing address to send your payments. Detach the bottom portion of the reminder notice and include it with your payment. In the interim, send your payments to the following address.
